D.O. No 6-1/2008-Technology

dated 11 December 2009

Dear

You are aware that Centre for Excellence in Postal Technology has been established at Mysore. It handles important tasks of software development and maintenance besides providing help desk support to computerised Post Offices. To enable the CEPT to handle all these tasks successfully, it needs to be provided with skilled manpower support.

2. I would request you to motivate regular officials of PA and Inspector (Posts) cadre who have sound programming knowledge in SQL and .Net to convey their willingness for posting in CEPT, Mysore. Willingness form eligible officials in your Circle in the enclosed proforma may be called for immediately and forwarded to CEPT, Mysore so as to reach them by 29 December 2009. A summary of the names forwarded to CEPT may be forwarded to Director (Technology).

With regards.

Yours sincerely,

(S. Samant)
